In-person Registration

First Term, June 16. All new students who have made application to attend summer quarter by June 6, 1975 and did not pre-register should report to the Office of Registration on Monday, June 16, to receive registration material.

New freshmen, transfer and reenrolling students admitted to Ohio University after June 6 must report to the Office of Admissions, Chubb Hall, to receive their registration material.

Change orders must be approved by the instructor and academic dean. The completed change order must be returned to Chubb Hall for fee assessment.

Students not in attendance for the first term must report to Chubb Hall to receive registration material at the Office of Registration.

STUDENT RESPONSIBILITY

It is the responsibility of each student to familiarize himself with all portions of the University catalog pertaining to his eligibility status, requirements for graduation, and various deadlines. He/she is also responsible for up-dating demographic information, i.e., name, address, etc.

Regional Campus Summer Quarter

Summer classes will be held during the first term on the following regional campuses: Belmont County (St. Clairsville), Chillicothe, Lancaster, and Zanesville.

Students interested in obtaining a schedule of classes and other information about summer courses at the regional campuses should contact the preferred regional campus directly.

Independent Study

The Independent Study Program allows any person capable of pursuing college level work to earn college credit outside the traditional classroom setting at the time, location and pace suited to their needs. *Independent Study Courses* provide the student with a detailed guide which directs the student's learning using textbooks and other materials. Written assignments are submitted and evaluated by the professor. The supervised examinations can be given at the student's location. Undergraduate courses not currently available can often be arranged for on an individual basis as *Independent Study Projects*, contingent on the approval of the appropriate department and the availability of a qualified faculty member to supervise the project. *Course Credit by Examination* provides the student with a brief prospectus describing the nature of the course, the materials to study and the nature of the supervised examination. Written assignments are not submitted or evaluated and the student is allowed up to six months to prepare for the examination, which may be taken at the student's location. Detailed information about the Independent Study Program as well as a listing of courses offered is contained in the Independent Study Bulletin available from the Independent Study Office, Tupper Hall 302.

Change Orders

Once a student has officially registered, a change order must be used to remove or add a course. The change order form is obtained in the office of the dean of the student's college and must be submitted with proper approval of the dean.

Credit

All credit is designated in quarter hours. The credit hours applicable to any given course taken in the summer are the same as for the other quarters. The summer courses may be taken for the full ten-week quarter, or for either of the five-week terms. By attending both five-week terms, a student may earn up to 18 hours of credit.

Auditing Privilege

At the time he is advised, a student may receive permission to audit courses. The courses must be marked "Audit" on the registration forms. The fee for auditing is the same as for credit.

Graduation Requirements

Graduate students expecting to receive degrees on August 23, 1975, must submit applications by June 20. For further details on graduation requirements, see the *Ohio University Bulletin* series.

Identification Cards

Monday, June 16, in Chubb Hall 260A from 8:00 a.m. to 5:00 p.m. All students are required to have identification cards. (Student must present current paid fee receipt to pick up identification card.)

Validation Label

Students will be issued a validation label with their paid fee receipt upon payment of registration fees. In order to identify yourself as a currently enrolled student, it is necessary for the validation label to be attached to the back of your ID card. University services (athletic events, Health Services, etc.) will be provided only upon presentation of properly validated ID cards.

PREPARATION OF SCHEDULES

Students should study the proposed curricula in the *Ohio University Bulletin: 1974-75 Undergraduate Catalog, Curricula and Courses*, as well as the *University College Bulletin*, to be certain that all requirements for graduation are being met and that all prerequisites have been met for the

courses selected. The responsibility for seeing that all graduation requirements have been met rests with the student.

GENERAL INFORMATION

Housing Regulations

All Athens campus freshmen (0-44 hours earned) and sophomores (45-89 hours earned) are required to reside in University-owned housing and participate in the associated board plan. Status as a freshman and sophomore will be determined on the basis of quarter hour credits earned and accepted by Ohio University at the conclusion of the immediately preceding spring quarter. The exemptions, which must be requested in writing, are for 1) students carrying fewer than three hours during the summer; 2) married students residing with their spouses within commuting distance; 3) students commuting from the homes of their parents or legal guardians; 4) sophomore students living in recognized fraternity or sorority houses; 5) veterans of 18 or more months of active military service; 6) students under treatment for physical or psychological incapacity whose treatment will continue while at Ohio University (this exemption to be initiated by the Hudson Health Center or the Center for Psychological Services). This regulation applies to all regular freshmen and sophomores as well as all special students.

Residence Facilities

Ohio University residence facilities meet the varying needs of students. Housing is available for students under 21, graduate students or students over 21, as well as married students, in University-owned facilities.

A residence hall contract will be mailed to all new students by the Housing Office after admission has been

granted. Any currently enrolled student may obtain an application form for University housing by writing to the Director of Housing, Chubb Hall, Ohio University, Athens, Ohio 45701. This form must be completed as directed and returned with the appropriate advance payment to the Director of Housing. Checks or money orders should be made payable to Ohio University. An application is accepted only if accompanied by the required advance payment and assignments are made in order of date of receipt of application with accompanying room payment.

Motor Vehicles

University policy and regulations state that no student shall drive, operate, park or otherwise use a motor vehicle on the land and property of the University without first registering said motor vehicle with the Director of Security. This regulation includes student-owned vehicles, vehicles belonging to parents or relatives (including wives or husbands), vehicles belonging to friends, rental agencies and dealers.

Upon registration the student will receive a decal which must be attached to the vehicle as described in the brochure issued with the decal.

Failure to register a motor vehicle as provided by the regulations will result in a fine or disciplinary action or both.

Two-wheeled motor vehicles are not permitted to operate on University property at any time and are permitted to park only in areas specifically designated for motorcycle parking.

This car registration must be completed by the Security Office in the Administrative Annex.
